

Great Oaks Landscape of Michigan Receives Houzz's 2013 'Best Of Houzz' Award

Novi, Michigan -- January 21, 2013 -- Great Oaks Landscape of Novi, Michigan has been awarded "Best Of Houzz" 2013 by Houzz,

Houzz leading online platform for residential remodeling and design. Great Oaks Landscape has raised the bar for luxuriously landscaped properties. Commercial and residential projects alike benefit from our ability to envision both the grand design and the smallest detail. From conception and design to installation and year3 round maintenance, we are uniquely capable of delivering sophisticated results. Great Oaks Landscape continues to excel because of a shared commitment to a single idea: creating the most breathtaking outdoor spaces imaginable.

The Houzz "Best Of Houzz" award for 2013 is given in two categories: Customer Satisfaction and Design. Customer Satisfaction award winners are based on homeowner members who rated their experience working with remodeling professionals in 12 categories ranging from architects, and interior designers to contractors and other residential remodeling professionals. Design award winners' work was the most popular among the community of 11 million monthly users.

WE LANDSCAPE, THEREFORE WE ARE.

"Houzz provides homeowners with an in-depth, 360-degree view of building, remodeling and design professionals through images of their work, reviews and an opportunity to interact with them directly in the Houzz community," said Liza Hausman, vice president of community. "We're delighted to recognize **Great Oaks Landscape** among our "Best Of" professionals for

design as judged by our community of homeowners and design enthusiasts who are actively remodeling and decorating their homes.”

With Houzz, homeowners can identify not only the top-rated professionals like **Great Oaks Landscape**, but also those whose work matches their own aspirations for their home. Homeowners can also evaluate professionals by contacting them directly on the Houzz platform, asking questions about their work and evaluating their responses to questions from others in the Houzz community.
